

## Directions

### By car from South/East

Coming from Springbok or Upington follow B1 until you reach Keetmanshoop. Before entering the town, turn left on B4 in direction to Lüderitz.

The shortcut from Grünau can only be used if the Löwen river is low on water. Please contact us before you choose that road.

Follow the road until you reach the left turnoff on gravelroad 463 (~ 28 km after Seeheim, in direction to »Feldschuhhorn«). After 25 km on 463 you will see »Vogelstrausskluft« to your left.
